On motion Mapp-Boydston, a resolution to borrow $2500.00 from the Farmers Bank was passed.

Superintendent

W. W. Boydston.
Chairman.

Regular meeting, November 10, 1923.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, November 10, 1923 at 1:30 p.m., all members being present.

The minutes of October 24 and November 6 were read and approved.

The following notes were renewed on motion Mapp-Boydston:-

Farmers' Bank & Trust Company	$5000.00
Farmers' Bank & Trust Company	2500.00
Bank of Delray	3000.00
Palm Beach Bank & Trust Company	5000.00
Palm Beach Paper Company	962.50

The Superintendent read a letter from Mr. Nichols of the Palm Beach Paper Company relative to extra fixtures for toilet paper and towels, but the Board decided not to install them.

The lunch room report of Mrs. Aylesworth was presented and accepted by the Board.

The Board made a visit to the North Boro school to examine the plumbing, but found it in good condition although the water was shut off at the time.

On motion Mapp-Boydston, the salary of Mrs. Yates was fixed at $115.00 a month to conform with the salaries of the other teachers in the same school, Mrs. Yates having had training and experience to justify this.

The Superintendent reported that the school Board of Broward County and the school Board of Dade County were agreed with the school Board of Palm Beach County that it would not be necessary to meet in Orlando the latter part of November as the State meeting of the Florida Education Association would be but six weeks later and the meeting could be held at that time without the expense of going to Orlando; therefore it was decided to postpone the proposed meeting until the State meeting of the Florida Education Association at West Palm Beach.

Plans for the colored school addition were once more presented and discussed, but as the bond money was not yet available, no decision was reached.

The Superintendent reported the receipt of the following sums of money for the various school accounts for September.

Adjourned Meeting, November 28, 1923.

The Board of Public Instruction of Palm Beach County, Florida, met in adjourned session, Wednesday, November 28, 1923, all members being present.

Mrs. Taylor, trustee of District #1 was present and explained certain needs of the West Palm Beach high school. There was some dissatisfaction she asserted, in regard to the fixtures in the laboratory. Also there was need of shades in the new building and as the Board had these shades, she was anxious to have them put up. On motion Mapp-Keen, it was voted to ask Mr. Salvage to put his time on putting up the shades and to get extra colored help to clean the building.

The agent for the Remington typewriter asked the Board to consider buying new Remington typewriters for the West Palm Beach and Lake Worth schools, the price being $70.00 and the terms, eighteen months. The Board postponed action on this until the next regular meeting. Mr. Stafford Beach, the trustee of District #1 appealed to theBoard in behalf of the children moving into the settlement west of Jupiter. He asked either for transportation or for a teacher. The Board took no action at this meeting.

The Board voted to send a letter of thabks to the Exchange Club for their kindness in cleaning the school yard at the West Palm Beach school. Since an extra teacher was budgeted for the Palm Beach school during the season and there were many pupils coming in at present, the Board allowed that this extra teacher might begin in December instead of January as

heretofore.

The Board passed the following resolution:

WHEREAS, the bond for the American National Bank to cover bond fund deposits, District #1, being #30,000.00 and

The minutes of November 24th and 28th were read and accepted.

On motion W.E. Keen, seconded by Mr. Mapp, the Board voted to purchase twelve Remington typewriters on terms of eighteen months; six of these to be for the West Palm Beach school and six for the school at Lake Worth.

On motion Keen-Mapp, the Board voted to send letters of thanks to the firms who had so kindly donated labor or material for making shower baths in the West Palm Beach gymnasium.

The Superintendent read a letter from George L. Wright, City Manager, asking that the Board strike out a phrase in their lease of their athletic field to the city, this phrase being in regard to subletting the athletic field for concessions. The Board did not wish to strike this out of the lease, but decided to give the commissioners a separate agreement and refer the matter to Mr. Blackwell.

A letter from the County Commissioners, enclosing a quit claim deed, asked of the Board a quit claim of the part of their property bordering on the Military Trail so that the street there could be widened to comply with the requirements of the State for a State Aid Road. On motion Keen-Mapp, it was decided to allow this and to ask Mr. Blackwell to have the deed drawn up allowing not over eighteen feet of land bordering on the Military Trail.

Regular Meeting, December 22, 1923.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session , Saturday, December 22, 1923, all members being present.

The minutes of December 8th were read and accepted.

On motion Keen-Mapp, the Board gave authority to Mr. Salvage to get putty to set the window lights in the West Palm Beach school and allowed $5.00 for postage for Prin. W.H. Gordon, also $22.00 from District #1 fund to help pay for beautifying the oval in front of the West Palm Beach school, also paint for the bicycle racks at the West Palm Beach school and allowed that two men might be hired to wash the windows during the Christmas vacation.

Mr. Morrison, agent for the Northwood Development Company, appeared before the Board to offer a lot for consideration just west of the present North Boro school. Tha Board took no action as no price was named.

J.B. Wideman of Delray petitioned the Board for assistance in expense of carrying his children to and from school. On motion Keen-Mapp, $30.00 a month was allowed to him begining with the school month of November 12th.

An offer for the bonds of District #9 was made by Mr. T.T. Reese of the Farmers Bank, these bonds having been refused by the Lake Worth Bank. Mr. Reese offered to buy them at 97 and to take all responsibility for validating. On motion Keen-Mapp, this offer was accepted.

On motion Keen-Mapp, the Superintendent was authorized to have the bonds for #9 printed.

On motion Keen-Mapp, it was voted to provide a teacher for the children west of Jupiter, providing the company would furnish a room.

The Board feeling that it would be impossible for them to expend the necessary amount for beautifying the front of the school buildings of the West Palm Beach school, discussed the matter of offering a lease of this portion of the grounds to the city, asking them to park it and also allow for space for parking cars to relieve the congestion at such times as necessary. It was decided that it would be wise to write to the civic organizations, asking if they approved this movement and the Superintendent was instructed , on motion Keen-Mapp, to write such a letter.

On motion Mapp-Keen, the bond of the Seminole Bank of Stuart and of the Bank of Boynton was approved.

On motion Keen-Mapp, V.W. Roth was appointed supervisor of the Okeelanta school.

The Superintendent read a letter from Mr. G.G. Currie, offering half an acre of land for a colored school at Beulah Land, but it was decided that since there was at least an acre in every school property in the county, the Board did not want to accept less, therefore they would not agree to this offer and especially since they could not build a school there at present.

A revised lease for the athletic grounds from the city, was presented to the Board with the approving opinion of Mr. Blackwell. On motion Mapp-Keen, this lease was accepted.

→ Rescinding of note - Next page

On motion Keen-Mapp, it was voted in view of the impossibility of issuing $50,000.00 worth of bonds as had been hoped at a meeting last Fall, to rescind the action of the minutes of that meeting, October 10, 1923, stating that they approved budgeting from the district for the athletic material for District #1 whereby Mr. R.E. Oliver had offered to underwrite the bill for this material.

Miss Eunice Lowe was appointed teacher at the Bare Beach school.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, January 12, 1924, all members being present.

The minutes of the regular meeting, December 22, were read and accepted.

Upon a request that Miss Edson be allowed to use the scenery from the West Palm Beach school for the opera, Pinafore, to be given as a benefit for the Lake Worth school, it was moved by Mr. Keen, seconded by Mr. Mapp that she be allowed to take this scenery to Lake Worth, sen to be responsible for any damage done to it and with guarantee that it would be replaced in the West Palm Beach school immediately after being used at Lake Worth.

On motion Keen-Mapp, the Board voted to give a ninety-day note to J.C. Hanner Construction Company to cover $814.97, balance due on the West Palm Beach high school and $100.00, balance due on the Kelsey City school.

City Manager Wright, Dr. Clawson, Dr. VanLandingham and Miss Austin of the Social Welfare Department appeared before the Board to discuss the matter of the health of the West Palm Beach school children. Mr. Wright proposed that in view of the fact that the Board was unable to hire a school nurse, that a nurse might be secured through public subscription for two or three months, to work in the city schools. This seems almost imperative owing to the fact that there is an epidemic of measles at the present time and that many pupils are being admitted who come down from the North and might bring contagion or infection. It was also proposed that as a preventive measure, each child should be examined by a local physician and given a health certificate before entering the school. The school Board was heartily in accord with both of these propositions and voted, on motion Keen-Mapp, to give their permission and moral support to the efforts of the City health department in procuring a nurse on the understanding that the school Board was unable at the present time to finance it and also resolve that all pupils entering the school must have a health certificate from a local physician prior to admission into the school.

On motion Keen-Mapp, glass and bolts and nails and chain locks for the gates at the West Palm Beach school were allowed.

On motion Mapp-Keen, the Board decided not to allow Mr. Gordon to solicit the public or any organization for help, financially or otherwise unless specifically authorized by the Board.

On motion Mapp-Keen, the Board voted to pay $140.30 to pay balance for the road as contracted by Mr. Gordon at the West Palm Beach high school.

The bond of the First-American Bank was fixed at $8,000.00, this bank having been merged from the First National Bank and the American National Bank and the bond of these two banks released by resolution of the Board.

On motion Keen-Mapp, the Board voted to borrow $10,000.00 from the Farmers' Bank & Trust Company.

WHEREAS, there are outstanding school warrants issued by the Board of Public Instruction of Palm Beach County, Florida, and,

WHEREAS, there is no money in the County School Funds applicable to the payment of such warrants, and,

WHEREAS, the said Board has paid in full the sums borrowed on all previous estimates and it is now authorized to borrow on the estimate of the succeeding year not to exceed 80 per cent. of such estimate,

THEREFORE, BE IT RESOLVED, by the said Board of Public Instruction of Palm Beach County, Florida, that the said Board be and it is hereby authorized to borrow from

The Farmers' Bank & Trust Company, West palm Beach, Fla.,

the sum of Ten Thousand Dollars($10,000.00)

to pay said outstanding warrants and for the further purpose of paying any and all legitimate expenses incurred in operating the schools of said County, said sum being within the 80 per cent. limit authorized by law.

BE IT FURTHER RESOLVED, that D. W. Boydston, as Chairman, and Agnes Ballard, as Superintendent and Secretary of said Board of Public Instruction of Palm Beach County, Florida, be and they are hereby authorized to execute to said Bank for and on behalf of said Board its note for the sum of Ten thousand dollars($10,000.00) payable to the order of said Bank ninety days after the date thereof at 8 per cent. per annum until paid.

On motion Keen-Mapp, the Board after discussing the matter of the addition at the colored school, decided that theproceeds from the bond issue would be less than what was needed to build this addition and in view of the fact that the trustees would help to furnish the building, it was decided to allow a maximum of $16,000.00. On motion Mapp-Keen, it was voted to ask Mr. King to complete the plans and if possible, have them ready for the next meeting of the Board.

On motion Mapp-Keen, a telephone was allowed for school #9.

On motion Mapp-Keen, the salary of the janitor at Stuart was fixed at $50.00 per month.

On motion Keen-Mapp, the Board voted to allow for a curtain for the Stuart stage providing the school reimbursed the Board before the end of the term.

On motion Keen-Mapp, the Superintendent was instructed to get estimates for a yearly contract to keep the pianos of the West Palm Beach school in tune.

The following warrants were audited and paid in December:

Adopted:

Tyus Ballard
Superintendent.

D. W. Boydston.
Chairman.

Regular Meeting, January 26, 1924.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, January 26, 1924, all members being present.

The minutes of January 12th were read and accepted.

A delegation from Indiantown once more appeared before the Board asking for the resignation of the teacher there, but the Board felt that it would be more just to have the teacher at a Board meeting to answer whatever charges were brought against her, if any. Therefore, they decided to have the Superintendent go out there to verify the attendance and also to suggest that the teacher resign and thereby save herself the trouble of appearing before the Board to answer charges against her.

Mr. Clayton of the Property Owners' Association expalined to the Board that the bicycles of the children at the high school were being ruined by lack of protection from the weather and asked that the Board construct shelter for the bicycle racks. Mr. Wm. Manley King being present, the Board asked him to get an estimate for such shelter for a thousand feet at the West Palm Beach school, also three hundred feet at the Lake Worth school.

Since it has been necessary to purchase new chairs for the West Palm Beach auditorium, Mr. Gordon wished to have assistance on the payment and asked if the organ previously donated to the School of Opportunity might be sold to help offset the cost of the chairs. Mr. Boydston agreed to asking the donor, Mr. Earman, if he was willing to have this sold. On motion Mapp-Keen, $10.00 was allowed for a petty cash account to Mr. Gordon, who was to submit the statement with receipted bills each month.

On motion Mapp-Keen, the Board voted to allow the American Legion the use of the auditorium for three nights for the Kirmess for $25.00. On motion Mapp-Keen, it was voted to authorize a deposit of $5.00 to be made by any prospective party hiring the auditorium this deposit not to be refunded if the auditorium was not used by the party engaging it.

On motion Keen-Mapp, the Board accepted the final plans of Wm. Manley King for the colored school addition and decided to advertise for bids on this contract.

Owing to racial difference in the pupils of the Riviera school, the Board voted to allow certain pupils to attend the North Boro school subject to the approval of the Board.

On motion Mapp-Keen, six Kindergarten chairs were allowed for the Stuart school and the Superintendent instructed to order these from A. Hercules of Jacksonville.

On motion Keen-Mapp, the Board voted to authorize J.W. Mickens to proctor the examinations at the colored school. They also arranged that Miss Asher should remain at the West Palm Beach high school to assist the Superintendent in proctoring the teachers' examinations there.

On motion Keen-Mapp, it was voted to borrow $1,000.00 to cover the note of $600.00 to A.E. Dobbs and a few bills due.

On motion Keen-Mapp, the Board voted to transfer Mrs. Hardeman to the North Boro school.

The Board on consideration of a case reported by Mrs. Taylor of a child suffering with heart trouble and unable to attend school all day, allowed that this child might attend one-half day sessions.

On motion Mapp-Keen, the Board allowed repairs at Hypoluxo including glass and window sash; also a new man to take care of the engine.

On motion Keen-Mapp, the following notes were renewed:

First National Bank----------$5,000.00
" " " ---------- 2,500.00
Palm Beach Bank---------- 5,000.00

The following note was paid:-

A.E. Dobbs----------$600.00

Miss Lucile Himes asked the Board's permission to sell three of the old machines which are completely out of repair and buy a new one with an additional allowance of $10.00 from the Board. This request was granted.

The Board allowed for the purchase of chalk trough which had been shipped from Drew's to Miss Davis at Palm Beach and not being needed could be bought without additional freight charge, there being need of the same in our schools.

On motion Keen-Mapp, Mrs. Kintz was transferred to teach in the grades at West Palm Beach at the same salary, $110.00 per month.

The Board authorized that no long distance telephone calls should be allowed except on the office telephone, 427, and no telegrams charged to the Board except those authorized by the Superintendent or Board members.

Only one bid being submitted for the up-keep of pianos, this bid was accepted on motion Keen-Mapp. It was the bid of W.A. Ross for taking care of four pianos at $35.00 a year.

Agnes Ballard
Superintendent.

Chairman.

Adjourned Meeting, February 2, 1924.

The Board of Public Instruction of Palm Beach County, Florida, met in adjourned session, Saturday, February 2, 1924, all members being present.

The adjourned meeting being for the purpose of hearing charges against Mrs. Critchlow of Indiantown and allowing her to respond to the same, Mr. Blackwell was asked to take charge. He called for the witnesses, but they desired not to be sworn in as this was not a court trial and they had not secured an attorney for this. Upon investigation of the monthly report received in the office, the inaccuracies proved that an attempt had been made to show a false average as if there were a fair attendance. The Superintendent having found that there were only four in attendance, the report was proved to be incorrect. On motion Mapp-Keen, Mrs. Critchlow was discharged from her position for incompetency.

A delegation from the North Boro reported the North Boro school still in a most unsanitary condition. After stating all facts in the case, the Board on motion Keen-Mapp, authorized Mr. E.S. Fowler to take the responsibility of putting things into good condition, giving him full liberty to act.

Mr. C.C. Chillingworth again appeared before the Board with Miss Irene Baumgartner. His proposition was that Miss Baumgartner would accept a settlement of her suit against the Board by a three months' note with interest for $1250.00 which would cover all expenses to the Board. Mr. Mapp asked for a week to consider this and agreed to vote definitely upon it next Saturday, Mr. Keen and Mr. Boydston being anxious to settle this by accepting this proposition.

The Board allowed a sixth grade teacher at the West Palm Beach school for the balance of the term as one of the teachers there now has seventy-four pupils and others have between forty and fifty.

The Board voted to authorize Mr. Ruggles and Mr. King to investigate the damage in the Lake Worth auditorium ceiling.

On motion Keen-Boydston, the Board allowed Mr. Mapp be authorized to attend to the paper of the Stuart deed on Monday, February 4th and given his per diem for his service.

On motion Keen-Mapp, the Board voted to settle Mr. Krumpe's account, $711.79 by a note.

This interview being satisfactory, an offer was made to Mr. Hollingsworth guaranteeing a salary of $3000.00 for the year 1924-1925 and $3200.00 for the year 1925-1926.

On motion Mapp-Keen, the following notes were renewed:

J.C. Hanner	4500.00
Lainhart & Potter	4158.39

Principal Gordon appeared before the Board and asked that the Board allow Clark & deGottrau to grade the west side of the gymnasium at a cost of $53.50. This was allowed by the Board.

Letters having been received from the State Education Association asking the co-operation of the Board toward the membership of the teachers in the Association, the Board, on motion Keen-Mapp, voted that all teachers be required to become members of the Florida Education Associatio by the end of the third month of their teaching and the warrant due at the end of this month be paid only after a receipt of dues in the Association is shown.

Mr. Wright reported to the Board for Mr. Ruggles, the condition of the septic tank at the Lake Worth high school, recommending that a manhole be placed over the Y where two pipes coming from the building join, and a cover that can be removed on the septic tank, also a long narrow chamber for overflow.

Mr. Jack Duncan was appointed teacher at the West Palm Beach junior high school in place of Miss Ruth Cook, resigned; salary $125.00.

Mr. Jack Barrett of Canal Point requested the right to use five acres of the Canal Point school property for clearing the same. The Board allowed this and asked the Superintendent to draw up a contract, stating that the land must be cleared at once and that Mr. Barrett must avoid burning the muck.

Mrs. Fleming of Military Trail school, reported that the teacher there was generally unsatisfactory. A report having been received that Mrs. Griffin at the Riviera school was not satisfactory, it was decided to transfer Miss Adams to this school, giving her another chance, and to dismiss Mrs. Griffin on the grounds that she failed to take her examination although she was especially notified of it.

Whereupon, the meeting adjourned.

Approved.

Superintendent. Chairman.

Regular Meeting, March 22, 1924.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, March 22, 1924, all members being present.

The minutes of March 8th were read and approved.

A group of women from Riviera were present and reported that a school for the children of Riviera would be needed by next Fall as there were already about twenty-five children ready for it. Several years ago Mr. Newcomb offered to the school Board some lots for a school in this section and these lots were once more brought to the attention of the Board. Upon investigation, it was found that these lots would not contain enough area for a school, therefore a motion was made by Mr. Mapp, seconded by Mr. Keen and carried that the Board would accept these lots, being lots 1,2,3,4 and 5 of Block 18, on condition that additional lots could be obtained, making at least three-fourths of an acre and preferably one acre, or that these lots could be exchanged for the necessary amount for a school site nearby. Mrs. Shafer of Riviera was asked to find out if more land could be purchased adjacent to this site.

On motion Keen-Mapp, the following notes were renewed:

Seminole Bank	5,000.00
J.C. Hanner	2,656.47
C.D. Abbott	500.00
J.C. Hanner	914.97
Bank of Stuart	5,000.00
Bank of Delray	2,500.00
Palm Beach Bank	5,000.00
First-American Bank	5,000.00
" " "	5,000.00

The trustees of District #9 suggested to the school Board that the addition to their school be placed south of the present building rather than west, as planned. The matter was taken up, but it was decided to leave the building as originally planned.

On motion Keen-Mapp, the following list of teachers were appointed for the #9 colored school as recommended by the

trustees.

Principal,	J.W. Mickens
Assistants,	Mrs. Lulu Weston
	A.R. Mickens
	Panchita Thompson

	Thelma Reddick

	Inez Peppers
	Willie Speed
	Victoria Booker

	Mary Holmes

On motion Keen-Mapp, an offer to replace the old Underwood typewriters for new ones was accepted by the Board.

On motion Mapp-Keen, the Board having learned of the plans to start a Normal Industrial Institute for the colored people at Salerno which would be operated along the lines of the Tuskegee and Hampton Instututes, decided to endorse this movement and give it their moral support.

The pump at Canal Point being out of order, the Board authorized Mr. Dobbs to attend to this matter and send a man out with supplies.

On motion Mapp-Keen, $36.50 was allowed for some certificates of citizenship to be used in the West Palm Beach school.

Regular Meeting, April 12, 1924.

The Board of Public Instruction, of Palm Beach County, Florida, met in regular session, Saturday April 12, 1924, all members being present.

The minutes of March 22nd were read and accepted.

The matter of placing the addition of the colored school was reconsidered and was allowed to be placed north of the present building and parallel with it.

Owing to the fact that Miss Hollingsworth of Delray had a nine months contract and has been transferred to the 5th and 6th grade, which closes at the end of eight months, the Board voted to allow her to teach the ninth month at the North Boro school where there is a vacancy being held by a substitute.

Resolutions from the North Boro Mother's Club were read and the Board declared its approval of the sentiment, hoping to conform to as much as possible and ordered these placed on file and a letter of thanks sent to the secretary of the Mother's Club.

Samuel Lightbourne, on motion Kenn-Mapp, was reappointed to teach the colored school at Kelsey City.

On motion Keen-Mapp, the offer through Mr. Currie of six lots from Mr. Kelsey, was accepted. These lots are in the colored section known as Beulah Land.

On a report that Mr. Weir was parking his truck at the base of the oval in front of the high school, the Superintendent was asked to write to Chief of Police Matthews to see that this practice was discontinued.

The Board agreed that all interscholastic games should hereafter take place on Saturdays instead of on a school day as coming on a school day, it interfered with school work, also that all pupils attending such games out of town should be well chaperoned by a member or members of the faculty.

The school Board made plans to visit schools in the Everglades the last of April.

On motion Keen-Mapp, $40.00 was allowed towards sending a girl from Palm Beach County to the short course at Tallahassee.

The Superintendent was asked to write to the Chamber of Commerce for an itemized statement of the money which had been raised by the Chamber of Commerce for the Palm Beach school and submitted to the Board at the next regular meeting. The Superintendent was also asked to write to Mr, Himes, Post Commander of the American Legion to have a representative at the meeting of the Board April 26th to discuss the matter of the Kindergarten for 1924-1925.

On motion Keen-Mapp, Alice Presley was reappointed to teach at Boca Ratone at a salary of $110.00 per month for nine months. Bennetta Moore was reappointed to teach the colored school at Boca Ratone at $60.00 a month for six months.

Mr. E. Beck who is janitor of the North Boro school asks for work during the summer, therefore, the Board allowed him to work at the West Palm Beach school at the rate of $15.00 per week and ordered that one colored boy be dropped.

On motion Mapp-Keen, a request from Mr. E.A. Haynie that a filing system be introduced at the Delray colored school was granted and the Superintendent authorized to purchase the same.

A deed and abstract of five lots at Riviera which had been offered the Board by Mr. C.N. Newcomb, were accepted.

The Superintendent read a letter from Mrs. Pryor from the Federation of Women's Clubs, suggesting competitive beautifying of school yeards. It was decided to refer this matter to the local Woman's Club as it was considered within their province.

The Superintendent read a letter to the effect that a representative of the Palmer Method of writing would visit Palm Beach, Broward and Dade Counties next year without compensation for the purpose of supervising penmanship in these three counties.

Everglades Meeting, May 1, 1924.

On Thursday, May 1st, the Board and Superintendent at 6:00 a.m., started for Belle Glade. Mr. Keen took the members in his car as far as Chosen. On the journey out, the school houses at Military Trail and at Community Place and at Geerworth were viewed by the Board. The first visit of the Board to the school in session was at Chosen. There they met several patrons of the school who expressed a desire that school should start early in the year and continue during the summer so that the children might be free to work on farms during the busy farming season. The Board said they would take this under consideration. They also allowed an encyclopedia for this school as the patrons had raised money for a library and there was no encyclopedia there. The Board next visited the school at Belle Glade. These schools are both doing a little high school work and the Board decided it would be more economical to group the high school work of these two places and of South Bay another year. This matter will come up for further consideration at a later meeting.

A Ford car was hired to take the Board to South Bay. Arriving at noon, the Board had dinner at the hotel and visited the school which they examined. An encyclopedia was also allowed for this school. On the return trip, the Board took up some matters of business and on motion Mapp-Keen, decided to allow transportation amounting to $10.00 per pupil for three pupils from Palm City to the Stuart high school for the month after the regular contract for transportation expired. The Board, also, on motion Mapp-Keen, decided to issue two-year contracts to Mr. Woods, Miss Lorance and Mrs. Caris of the West Palm Beach schools.

The Superintendent reported that Mrs. Taylor had signified her desire that Miss Ferguson might be reappointed and on motion Keen-Mapp, the Board reappointed Miss Jean Ferguson to the position as Intermediate teacher at the Palm Beach school, beginning December 8th, 1924.

The Board returned to West Palm Beach and planned to go to Canal Point and Pahokee the following day. The Superintendent and the Chairman being unable to make this trip, it was taken by Mr. Keen and Mr. Mapp.

The meeting adjourned.

Regular Meeting, May 10, 1924.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, May 10, 1924, at 1:30 p.m., all members being present.

The minutes of the meetings of April 12th, 19th, 24th, 25th and May 1st and 2nd were read and accepted.

On motion Keen-Mapp, the Board allowed Coach Woods to take the athletic team to the State meeting, starting on Tuesday morning, May 13th, and instructed the Superintendent to secure a substitute to take Mr. Woods place in the high school during his absence the remainder of the week.

On motion Keen-Mapp, the following were appointed to conduct the election at Jupiter, May 15th. Clerk, H.P. Jackson; inspectors, Miss Bessie Wilson, Mrs. Elsie Jakcson and Mr. J.T. Zeigler.

On motion Keen-Mapp, Fannie Smith was appointed to teach the colored school at Jupiter for six months at $60.00 per month.

On motion Keen-Mapp, the Board voted to renew the insurance at the Delray white school for a period of three years.

On motion Keen-Mapp, the following teachers were reappointed at the North Boro school: Paul Lawvere, grades 6 and 7, $125.00; Elnora Mendel, grades 4 and 5, $115.00; Mrs. J.M. Cromer, grades 2 and 3, $115.00; Mrs. Nannic Bronaugh, grade 1, $115.00.

On motion Keen-Mapp, the Board voted to buy ten (10) acres in Delray for the colored school. These had been offered by the owner, Mrs. Hinton, for $1200.00, $600.00 to be paid in cash and the balance quarterly for a year. The Board asked the Superintendent to secure the abstract of this property and have it examined and if satisfactory, to get the contract from the owner covering receipt for the $600.00 and contracting for the balance.

On motion Keen-Boydston, the finishing of the Stuart colored school by ceiling which had been ordered by Mr. Mapp, was ratified by the Board as it was necessary to do this in order to qualify for the reimbursement from the Rosenwald fund which had been promised on completion of this job.

On motion Keen-Mapp, Miss Murphy was retained for the 9th month of this school year at her regular salary of $150.00 on the understanding that she should do no teaching but spend her entire time on clerical work for the Principal.

The Board, on motion Keen-Mapp, authorized that the Teacher's examination be held in the West Palm Beach school building June 5, 6 and 7.

On motion Keen-Mapp, Eva Turner was appointed to teach the colored school at Boynton at $60.00 per month for six months.

The report of the lunch room at the high school was submitted by Mrs. Aylesworth. The business having dropped off to such an extent, it was necessary to close this lunch room for the balance of the year.

On motion Mapp-Keen, the Board allowed $40.00 to the Baptist Society at Bare Beach as rental for the use of the church there for the school during the past two years.

Regular Meeting, May 10, 1924.

On motion Mapp-Keen, the Board voted to pay as many notes as possible at this time, since the tax money more than covered the current expenses. On motion Keen-Mapp, it was resolved to renew the note due at the Farmers Bank-----$20,000.00, due May 15th.

It was reported that land at Canal Point had not been cleared by Jack Barrett who had asked to lease it as called for in the contract, and the Superintendent was asked to notify Mr. Barrett to have this land cleared and also to cease using the land adjacent to the school which is reserved for the school playground, as it had been reported he was doing.

The Parent-Teacher Association of the North Boro school appealed to the Board in behalf of the teachers who are making up for time when the school had been closed during the winter on account of unsanitary conditions for which they are not responsible. The Board took action to allow pay for this time to these teachers.

It was resolved by the Board, on motion Keen-Mapp, to renew the insurance policies on the Stuart building for a period of three years.

On communication relative to Mr. Gordon's reappointment from the Parent-Teacher Association, was read and ordered filed. After a lengthy discussion, the following motion having been previously submitted to Principal Gordon and considered acceptable by him, was acted upon and carried by the Board. Moved by Mr. Keen, seconded by Mr. Mapp that W.H. Gordon be appointed Principal of the Senior high school with no authority over the other buildings and responsible to the Board; that he teach not less than two classes daily; that he be responsible for the discipline of his school; his salary to be $3600.00 for ten months from September 1st to June 30th. Also: Mrs. Belle W. Caris be made Principal of the Junior high school, responsible only to the Board; that she teach not less than three classes per day; salary $185.00 per month for nine months. Also: that Miss Marie Aylesworth be appointed Principal of the Primary school and responsible only to the Board; her salary be $185.00 per month for eight months. Also: Miss Ruby Lorance be appointed Dean of the high school and that she teach not less than four classes a day; her salary to be $200.00 a month for nine months. Further: this motion allows for moving grade nine into the Senior high school building and for the moving of the Junior high school to the central building and the primary school to the south building. Further: it allows for appointment of one good commercial teacher to handle the entire commercial department. It also allows a maximum of $400.00 for clerical help to Principal Gordon during the year.

Special Meeting, May 17, 1924.

A special meeting of the Board of Public Instruction was held Saturday, May 17, 1924, according to the following notice mailed to each member. All members were present.

May 14, 1924.

Dear Sir:

I have the honor to request your attendance at a special meeting of the County Board of Public Instruction, to be held in my office at 1:30 p.m., May 17, 1924, for the purpose of canvassing the Jupiter election and whatever other business there may be, pertaining to schools.

Very truly yours,

AB/VA

County Superintendent.

The ballot box of the Jupiter election was opened and the votes canvassed. The result was as follows:

Wm. T. Bogardus received 56 votes; Frank J. Laird, 49 votes; John Pehrson, 40 votes.
These being the three highest, were declared elected by the school Board.

On motion Keen-Mapp, the names of Miss Helen Hon, Miss Ruth Tinkley amd Miss Francis Dixon were declared appointed at the Lake Worth school, subject to the approval of the trustees of the Lake Worth district.

The Board passed a resolution to take up half of the note due the Seaboard Bank and renew the other half. That is, paying $2500.00 and renewing $2500.00. They also resolved to take up the note of Lainhart and Potter in the amount of $4158.39 by paying $1158.39 and renewing $3,000.00.

Special Meeting, May 17, 1924.

To avoid situations whereby pupils might earn less than four credits in any one year and expect to make up several credits during the Senior year, the Board passed the following resolution on motion Keen-Mapp:

Resolved, that no high school pupil be allowed to earn more than six credits during the next school year, 1924 and 1925, and after this year that no pupil be allowed to earn more than five credits during any succeeding year.

The meeting adjourned.

Regular Meeting, May 24, 1924.

The Board of Public Instruction of Palm Beach County, Florida, met in regular session, Saturday, May 24, 1924, all members being present.

The minutes of May 9th and 10th were read and accepted.

A representation from the Parent-Teacher Associations of West Palm Beach accompanied by Mr. George Wright, City Manager and nine boys from the base ball team from the senior high presented themselves for the purpose of making a charge against Coach Woods on the grounds that they had lost the opportunity to win a silver cup because he had debarred some of the regular players as ineligible who had failed to attend practice owing to being out of the city. After the matter was explained, the Board decided to hear from Mr. Woods before any action on this matter could be taken and asked the Superintendent to send word to Mr. Woods to be present at an adjourned meeting the following Wednesday. Meanwhile, on motion Mapp-Keen, the Board decided to investigate thoroughly the athlatic situation at the West Palm Beach high school and on further motion Keen-Mapp, to request financial reports of the athletic accounts from Principal Gordon, Coach Woods, and Athletic Director Spaulding.

On motion Mapp-Keen, the following teachers were appointed for the Jupiter school:

Miss Anna DuBois----------7,8,9
(A principal in these grades to be appointed later)
Miss Jeannie Hepburn, grades 5 and 6
Mrs. J.M. Cromer, transfer, grades 3 and 4
Miss Emma Broang, Primary

On motion Keen-Mapp, Mrs. Daisy Walker was appointed at Indiantown and Mrs. Sue McCann, primary, Salerno. The following teachers were reappointed at Canal Point: Thomas Asson, Clara Griffis, Essie Sutherland and Miss Yvonne Goolsby, primary.

William Manly King brought in a rough estimate of $1075.00 cost to enclose the west end of the roof garden with casement windows and a folding partition across at the head of the stairs.

Mr. Hooker of Chosen and Mrs. Winnie of Torry Island appealed to the Board for a high school at a central position in their section of the 'Glades. As the Board was not ready to decide on this matter, they informed Mr. Hooker that they would let him know when they were ready to take up the matter later.

Since the 9th grade Latin class has not covered the entire years work, the Board on motion Keen-Mapp, voted to have Principal Gordon give the Latin still lacking, to these pupils, to make up their full grade during the month of June.

On motion Keen-Mapp, John Reddick and Mrs. A.L. Duncan were appointed to teach the colored school at Pleasant City.

On motion Keen-Mapp, the Board voted to allow $100.00 toward the care of the Delray school yard during the summer.

On motion Mapp-Boydston, the Board accepted with regrets, the resignations of Miss Lorance and Mrs. McWilliams and asked the Superintendent to write to inform that that they were extremely sorry to have them leave and appreciated the strenuous and excellent work they had done for the West Palm Beach school.

Regular Meeting, May 24, 1924.

The Board adjourned to meet Wednesday morning at 9:00 a.m.

Approved:

Superintendent. Chairman.

Adjourned Meeting, May 28, 1924.

The Board met in adjourned session, Wednesday morning at 9:00 a.m., all members being present.

The work during the morning, consisted in going through the budget for the coming fiscal year.

On motion Keen-Mapp, it was voted to allow the trustees of district #4 to set aside a sum sufficient to purchase not less than two blocks, one in the north and one in the south portion of the city of Lake Worth, costing not more than $4,000.00 each or $8,900.00 in all, which amount was to be paid out of the bond fund of district #4.

On motion Keen-Mapp, the Board voted that pupils living in one district and attending high school in another district should cause a charge of $5.00 per month from the district in which they live, to be paid to the district in which they attended school.

On further consideration of the unfinished Latin class of the West Palm Beach high school, the Boaed allowed that the class still lacking their credit should be allowed a conditional credit for Latin providing they earned their second credit in Caesar this coming year. See minutes Page 21' 225

In continuation of the charges against Coach Woods, the high school boys were asked to state these charges to the Board since Coach Woods was present to defend himself. There were several boys who gave their testimony and there were also a number of Junior high boys who gave substantial testimony in favor of Coach Woods. Coach Woods having considerable evidence of his stand in this matter which he presented to the Board, it was proved that the charges were ill-founded and the Board instructed Coach Woods to continue his work with the team and play the post season game, up-holding him in his statement that he should be given his lists of the eligibility of pupils several days in advance so that he could have time to supply substitutes where necessary. The Board passed a motion made by Mr. Mapp, seconded by Mr. Keen that Mr. Woods be exonerated from the charges which had been made and found unreasonable and the Board also expressed its disapproval of the action of the high school boys.

On motion Keen-Mapp, the Board decided to ask Dr. Van Landingham, Mr. R.J. Kishpaugh and Mr. George L. Wright to act as a board of three to have charge of the high school athletics, thereby relieving all teachers of any responsibility in regard to the same.

REGULAR MEETING July 12 1924

The Board of Public Instruction met in regular session, Saturday July 12, 1924, all members being present.

The minutes of June 28 were read and approved.

Mr. York, Trustee, form Pahokee, appeared before the Board and presented the need of two colored school, one at Pahokee and one at Connors Farms, where, he said, there were about fifty children each. He offered, through the Pahokee Realty company, a small piece of ground and a building partly completed for one of the schools. The Board allowed the teachers for each school and tentavely accepted the offer of the lot providing it could be disposed of later and a larger tract acquired, on motion Keen-Mapp. They also allowed the finishing of the building at Pahokee and asked to have a Warranty deed made out to the Board.

Mr. Salvage reported the needed repairs neede at Pahokee and Canal Point. The Board authorized requisitions for the material needed and allowed Mr. Salvage what help he might need to do the work, on motion Keen-Mapp.

Mr. Kocher met the Board and asked for a settlement of the suit which he has filed against the Board. In consideration of the matter, the Board decided on motion Keen -Mapp to offer Mr. Kocher a compromise of $2000.00, $1000.00 to be paid in cash and the remainder of $1000.00 to be in the form of a six-months note. Mr. Kocher would not accept this without consultimg his attorney and was therefore allowed until the next regular meeting for his answer, the offer to be withdrawn if not accepted then.

The following charges having been made out, and having been approved by Mr. Blackwell, were mailed to Mr. W. H.Gordon, according to instructions at the meeting of June 28, which charges were now considered, there being no reply from Mr. Gordon, ten days having elapsed since the charges were sent by registered mail:

1. Arbitrarily lowering the standard of the West Palm Beach High School by reducing exemption standards on the final examinations and also waiving citizenship claims which had been worked for all the year;

2. Attitude against the teachers and in favor of pupils in cases of discipline as was publicly demonstrated when the High School boys brought charges against Mr. Woods at a meeting of the Count Board

3. Dismissing the pupils on Monday of the last week of school without permission from the Board or Superintendent;

4. Incomplete records of pupils; demanding pupils to pay for mailing records of final marks and credits and failure to fulfil your part of this contract; supplying the Superintendent's office with only a part of the permanent record sheets, those of classes 1923 and 1922 being necessary, as well as those of the class of 1927, all af which are lacking;

5. Neglect in supplying colleges where pupils were applying for admission, with the required data;

6. Ordering supplies for the school involving nearly Eight Hundred Dollars before asking authority from the Board;

7. Leaving the city before the expiration of your contract without official permission from Superintendent or Trustees;

8. Also it is apparent from the records turned in that pupils were either allowed to take but two or three subjects during an entire year or allowed to drop subjects and at the end of the year be lacking several credits of that year's classification and then go on into the following class the next year.

These charges being considered sufficient grounds for dismissal, the Board on motion Keen-Mapp voted to cancel Mr. Gordon's contract for the coming year .

In order to straighten out the records and so that pupils going to colleges could be assisted in gaining admission the Board on motion Keen-Mapp voted to employ the services of Miss Lorance for a month to work on the records, at $200.00.

The Board allowed that manual training material not in use at the West Palm Beach high school be transferred to the Stuart, enough to accommodte twelve pupils, the Stuart District to reimburse the Dist #1.

On motion Mapp-Keen Victor Beckstrom and W. S. Merritt were reappointed to drive the busses for the Stuart school at the same salary as of last year.

On motion Keen-Mapp, J. C. Williams was appointed to drive the Delray school bus and to do the janitor work at the Delray school according to the bid approved by the Trustees of the Delrya Dist.

The Board received a bid on a carload of steel frame desks from Mr. C R. M. Sheppard of $7054.00. The Superintendent was instructed to get bids from other firms.

On motion Keen-Mapp the petition of Willie Speed, Willie Stafford, Martha Miller and Julia Pierce for their salaries to be made

$60.00 was allowed.

A letter from the Theodore Kundtz Co. for a part payment on their note of $4000.00 was read and the Board voted, on motion Keen-Mapp to pay $1000.00 and make a new note for $3000.00

The Board passed a resolution, on motion Mapp-Keen , that Dist #2 reimburse the General Fund in the amount of $600.00 owed by the Dist. out of the $700.00 recently received from the Rosenwald Fund allowance of $700.00 toward the Colored school Building in Stuart.

A list of recommendations for improvements at the Lake Worth Scho was read and the Board allowed the widening of the road in front of the High School to 14 feet for a distance of 200.00 feet, this space being tooo congested for safety at the present width; on motion Mapp-Keen. Also, on motion Mapp-Keen, the Board allowed that the Auditorium of the Grade School be partitioned so as to accomadate an additional teacher.

The Superintendent having checked up the space of the Senior High at West Palm Beach to accomodate the ninth grade pupils reported that the large study halls would seat 175 each if the partitions in the third foor hall now unused as cloak room space could be removed and recommended using these partitions in the locker room of the first floor to make an extra class room on that floor; then allowing the use of the adjoiming rooms on the second floor north east corner for a study room seating over seventy, thought that the ninth grade could be taken care of in these rooms without having to go to the expense of enclosing the roof garden. The Board approved the arrangemant and allowed also the removal of a partition in the central building in the clinic room to make sapce for a class room.

On motion Keen-Mapp, the resignation of Miss Louise Bowman was accepted with regret and Mrs. J. L. Yayes transferred to the vacancy thus caused and her salary fixed at $125.00 per month.

The bBoard instructed the Superintendent to ask Mr. Simon to be present at the next regular meeting of the Board to explain action in regard to the Watkins-Simon deed. On motion Mapp-Keen a survey of this property was allowed.

On motion Keen-Mapp Mrs. Mary Farnum was reappointed to the position of principal of the South Bay School at the same salary..

On motion Keen-Mapp, the following colored teachers were appointed:

Iona Williams - Boynton - $60.00 per month
Elmira Waldon - Jupiter - $60.00 per month
Alma Taylor - Stuart - $60.00 per month

On motion Mapp-Keen the Board passed a resolution to borrow the amount necessary to put a fourteen foot addition to the colored school at Jupiter up to the$500.00.

On motion Keen-Mapp the Board allowed that the science tables and desks not to be used in the south building of the Junior High at West Palm Beach be sent to Mr. Thomas Asson at Canal Point to be used in the High School there.

The meeting adjourned,

Special Meeting, August 29th, 1924.

Special Meeting, Board of Public Instruction of Palm Beach County, Florida, met in special session Friday, August 29th, at 10:00 A. M. according to the following notice sent to each member:

West Palm Beach, Florida,
August 27th, 1924.

Sir:-

I have the honor to request your attendance at a special meeting of the County Board of Public Instruction, to be held in my office at 10:00 A. M., August 29th, for consideration of the #1 Bond Issue, and whatever other business there may be, pertaining to schools.

Very truly yours,

County Superintendent.

AB:RW

At 10:30 the Board adjourned to the Chamber of Commerce, accompanied by Judge Donnell, to put before this body the things on the Bond Issue in District #1, and ask their cooperation. Judge Donnell presented certain figures showing the expenditures necessary for this $50,000.00 Bond Issue and urged the Chamber of Commerce to exert all influence for the satisfactory reception of this Bond Issue. In the discussion which arose Miss Josephine Lindley figures from all sources of income for school purposes. She also reported the budget of the school Board for the coming year for the General School Fund and raised the question of the difference between the total income and the General School Fund budget. This was settled by explaining that the Special District Budgets made up this difference, allowing no extra money for the purposes called for in the Bond Issue, whereupon the Chamber of Commerce took action, endorsing the Bond Issue and promising their support.

Regular Meeting October 13th, 1924.

The Board of Public Instruction of Palm Beach County Florida met in regular session October 13th, 1924, this meeting having been postponed from October 11th. Mr. Mapp and Mr. Keen were present.

The minutes of September19th and 26th were read and accepted.

On motion Mapp-Keen the following ruling was made, since there has been considerable inconvenience here-to-fore in the classes when pupils enter after class work had been running for some time and these pupils were unprepared; Resolved that pupils entering school after classes had started must be prepared to enter the class where it stands and if necessary should have coaching outside of class to be able to enter the class at this point and thereby not hold the class back for their lack of ability to grasp the subject.

The Superintendent reported that Dr. Eurit had asked for screens for the lunch room at the Stuart High School, also for a telephone at the school. On motion Mapp-Keen this was allowed.

On motion Mapp-Keen the Board allowed the son of Phillip Foster to attend the Central Boro School.

A report of a very congested condition at the North Boro School was made to the Board and owing to the fact that the Central School was also becoming crowded, it was decided to open the remaining three rooms at the North Boro school to relieve their own congestion and also to provide against over-crowding the Central School. On motion Keen-Mapp three teachers were allowed at the North Boro School to supply these rooms and the application of Mrs. Woodham being acceptable to the Board, she was appointed for one of these positions.

On motion Keen-Mapp an extra teacher was allowed for the primary school at Canal Point as they were also over-crowded. The Superintendent was asked to secure a teacher.

Mr. Hayden applied to the Board for the use of the West Palm Beach Gymnasium for some young men in town who wished to have a place for gymnastic exercises. On motion Keen-Mapp Mr. Hayden was allowed the privilege of using the gymnasium two nights a week, conferring with the High School coaches, so that there would be no conflict of time for the use by pupils of the school, and also arranging with Mr. Salvage for the extra service required and proper conpensation and the Board to receive $2.00 a night for two hours each evening to defer expenses of lighting, etc.

Mr. Ned Koeher appeared before the Board to explain that his daughter, having received a credit for her first year Latin work had been told she would be required to take Caesar this year to make that credit valid. As she was in the class who did not complete Latin of the first year, Mr. Koeher requested that she be allowed to wait until her work was completed before she take the Caesar. He agreed to see personally that she completed the first years work and that she take the year in Caesar before she graduated so as to give her the two required units of Latin.. On motion Keen-Mapp a motion in the minutes on page 176 was amended by cutting off the last three words "this coming year", thereby allowing time for pupils who had not covered the first year Latin assignment to bring themselves to the point where they could understand their work in Caesar before they were obliged to take it up.

In Jupiter several settlements in several different directions with a number of children in each settlement necessitated more transportation than had been allowed by the Board. As it was unsatisfactory having one bus make two trips before school and after school as it left children around the school building for indefinite time without teachers. The Board on motion Mapp-Keen voted to allow H. J. Wilkison $80.00 per month for transporting the children northwest of the Jupiter bridge and leave Mr. Stacey to transport those from Olympia, Gomez and Likely. Also to allow $35.00 per month to Mr. Martin to transport the children from Palmetto Plantation and ask Mr. Laird to negotiate with Mr. Brooker on his Route from Jupiter Farms to reduce his price, having cut the Palmetto Plantation trip out of his Route.

The Superintendent reported a price on the lot adjoining the North Boro School of $16,545. This was not accepted by the Board.

On motion Mapp-Keen Charles W. Brown was appointed Trustee of the Boca Ratone District to succeed Mrs. Lillian Brown who as teacher at Yamato had made herself ineligible. Mrs. Brown was allowed $75.00 for transporting pupils on her way to school by way of Delray High School.

On motion Keen-Mapp A. L. Neal was appointed attendance officer at Delray with full authority to serve notice where pupils refused to attend school.

On motion Keen-Mapp Miss Inez Mae Pincheon was appointed to fourth grade at West Palm Beach, $115. per month salary; Victoria Jackson promoted vacancy assistant principal Delray colored $75. per month salary; Mary Stapler vacancy caused by Victoria Jackson, Delray colored $65. per month salary. Ray Thornton West Palm Beach High School, Mathematics, $150. per month.

On motion Mapp-Keen three sets of Ellis Material for Primary grades were allowed.

On motion Keen-Mapp Frances Schmul of Jupiter who could not qualify as a sophmore in the West Palm Beach schools was recommended to attend the Jupiter school this coming year.

The Superintendent reported that Dr. Wills of Okeelanta had submitted a list of pupils at the Okeelanta School, asking to have the Okeelanta school reopened. This the Board did not allow as the list included names of pupils not yet living in Okeelanta.

The Superintendent was allowed permission to permit pupils objecting to the Inlet Grove school to attend the Northwood School.

The Superintendent was asked to inquire into the situation as to second year bookkeeping in the West Palm Beach Commercial Department and see if it could be arranged so that this could be offered.

Lists of material for the Domestic Science school at West Palm Beach and for Prosperity Farms were allowed with the exception of the Singer machines on the first list and on condition the work at the Prosperity Farms be donated. Also canvas shades were allowed at the schools reported to be in need of them.

An invitation to a reception at Lake Worth was read and accepted if possible to attend the installation of the pastor of The First Congregational Church.

The Board allowed $100. for the salary of Mrs. Armstrong at Choc...

On motion Keen-Mapp the Board voted to put an advertisement for the Bond election in the Sunday papers and Monday papers amounting to 1/8 of a page each insertion.

On motion Keen-Mapp J. E. Chestnut was appointed Supervisor of the Miami Locks School.

On motion Keen-Mapp toilets were allowed to be installed by Charles F. Tracey, 2 at South Boro School, 4 at North Boro School and 6 at Central School.

Regular Meeting January 10th, 1925

The Board of Public Instruction of Palm Beach County met in regular session Saturday January 10th, 1925, the following members being present: Edward Mapp, A. S. Andersen, D. W. Boydston.

This being the first meeting of a new Board and according to law the primary duty being that of organization, Mr. Boydston was named chairman of the Board on motion Mr. Mapp, seconded by Mr. Boydston

Mr. Andersen calling attention to the importance of the work of the Board moved that all meetings be opened with prayer. Motion seconded by Mr. Mapp. Prayer was then offered by the Superintendent.

Mr. Boydston explained that the bills on the Lake Worth schools had been payable weekly and requested that the new Board authorize the continuation of this arrangement. Upon regular motion Mapp-Anderson it was decided that bills in connection with the construction of the new school at Lake Worth be paid weekly when presented with the endorsement of A. Forshay contractor and approved by two of the local trustees.

Upon regular motion Mapp-Andersen it was decided that the regular meetings of the Board should be held on the second and fourth Saturdays of each month at 1:30 o'clock.

Upon regular motion Mapp-Anderson, Blackwell, Donnell and McCracken were renamed as attorneys for the Board. The Superintendent was instructed to request that Mr. Blackwell be present at the next meeting.

Mrs. Newlon representing the Mothers Club of the North Boro School called attention to some work and improvements which had been authorized at a previous meeting and which had not been performed and upon regular motion, Anderson-Mapp, the Superintendent was instructed to take care of the immediate needs of the North Boro School building and grounds and to see that the improvements authorized December 13th were made.

The attention of the Board was further directed to the congestion in the North Boro School and after some discussion it appeared more satisfactory to the committee representing the Mothers Club that the lower grades be put on half day session rather than have the children transferred to some other school.

Upon regular motion Anderson-Mapp the Superintendent was authorized to arrange the work in the first, second and third grades of the North Boro School on the half day session plan, and to adjust as far as possible the placement of the children in other rooms which were badly crowded. Since the rearrangement envolves extra work and extra time on the part of the teachers, the Superintendent was authorized to arrive at a satisfactory plan in consultation with them.

Upon regular motion Mapp-Anderson the office assistant's salary was placed at $200. a month.

Upon regular motion Anderson-Mapp a resolution was adopted authorizing the renewal for ninety days of a note in the amount of $17,000.00 at the Farmers Bank and Trust Company.

Upon motion Mapp-Anderson the following resolution was passed:

'Owing to the increasing number of vouchers presented at each meeting of the Board for the signature of the Board members, the Board passed a resolution to adopt the new method for ~~all~~ bills which had been already authorized by the Board. These bills being reported in the minutes each month, this would facilitate the business to a cnnsiderable extent. This resolution that bills could be paid and stamped with the page reference of the minutes to this resolution which covers all salaries contracted such as: teachers, janitors, office salary, attorney retainers, transportation and special workers; all utility bills such as water, light, gas and telephone; all interest on loans, insurance premiums, per diems and commission to tax collector

Upon regular motion Mapp-Andersen the resolution with reference to compensation of the Board of Public Instruction which had been adopted at the meeting December 13th, 1924 was affirmed. See page 257.

The Superintendent reported that he and Mr. Andersen had visited the South Boro School and attended a meeting of the Parent-Teacher's Association during the week. It appeared that the congestion that prevailed prior to the holidays had been relieved and that it was no longer necessary for the fourth grade children to travel the long distance to the Central School. In view of this fact and the desire expressed by the patrons at the meeting referred to it seemed wise to reconsider the matter of transferring pupils. Upon motion by Mr. Mapp, seconded by Mr. Andersen, the resolution passed at the December meeting transferring the fourth grade pupils from the South Boro School to the Central School was rescinded.

Regular Meeting January 15th, 1925.

The Superintendent was authorized to arrange with Mrs. Chase ~~for position~~ to operate the lunch room at the Central School.

The report from the Stuart School showed 59 pupils in the fourth and fifth grades combined and as this was considered an unsatisfactory condition an additional teacher was authorized by motion of Mr. Mapp seconded by Mr. Andersen.

After some discussion the Superintendent's salary and expense allowance was placed at $5000. on motion of Mr. Andersen seconded by Mr. Mapp.

There being no further business the Board adjourned.

Regular Meeting January 24, 1925.

The Board of Public Instruction met in regular session Saturday, January 24, 1925, Mr. Andersen and Mr. Mapp being present; Mr. Boydston being detained on account of the inclement weather. Judge Donnell was present as attorney for the Board. The meeting was opened with prayer by the Superintendent.

Rev. Wm. J/ Thomas representing the Men's Club, and Mrs. Adams representing the Women's Club, Canal Point, appeared before the Board in the interest of the Canal Point school. After some discussion of the agreement entered into by the Board at the time the property was secured, it was decided upon motion made by Mr. Andersen seconded by Mr. Mapp, that steps be taken to comply with the conditions of the agreement.

The Superintendent was instructed to advise Mr. Barrett of Canal Point, it would be necessary to cancel the agreement by which he now holds the school land. (The Superintendent was directed to see Mr. Morris and Mr. Bryant in connection with the Sugar Company's ten acres.)

Mr. Andersen was authorized upon motion Mapp-Andersen, to appear before the North Borough Council and request their help in securing about five acres of the old city dump ground as a school site.

Mr. Wilcox representing the Presbyterian Church, requested the use of the school auditorium the last Sunday night in January, and the four Sunday nights in February. His request was granted. Mr. Andersen also urged the importance of securing property for school purposes in the Belvidere section, and he was authorized to initiate action looking toward the securing of such property.

The question that a small strip adjoining the Central School property might be secured, was discussed. It appeared that Mr. D. H. Conkling had expressed a willingness to transfer to the school his holdings there. The Board, however, agreed that the additional property should be secured in other sections of the city, and instructed the Superintendent to communicate with Mr. Conkling and express to him the attitude of the Board, at the same time thanking him for his offer and the terms which had been selected, namely, leaving the consideration to be determined by a board of appraisers.

Mr. Andersen also urged again the importance of instituting a maintenance department.

The matter of compensation of the Board members was referred to Judge Donnell. He stated that in his opinion the population of Palm Beach County was undoubtedly enough to bring it in the classification stipulated in the Special Acts providing compensation for Board members. In view of the fact, however, that these were special acts and applied only to Counties which had such population according to the census of 1915 or the census of 1920, he thought that it would be wiser not to accept compensation other than the per diem and mileage until a special act could be passed, probably by the 1925 Legislature making this provision applicable to counties which now have the population stated in these special acts.

Upon motion, Andersen-Mapp, it was decided that the resolution passed at the previous meeting be rescinded.

Judge Donnell was instructed to take such steps as he considered necessary and proper to make the special acts referred to applicable to this County.

It was moved by Mr. Andersen, seconded by Mr. Mapp that the retainer fee for the attorney be fixed at $50.00 a month. It was agreed in this connection that someone representing the attorney should be present at each regular Board meeting.

The following teachers were appointed:

Mrs. Louise Smith - - - - - -	South Borough
Miss Katherine Parr - - - - -	6th Grade, Central School
Mrs. Leona Slye - - - - - - -	5th Grade
Miss Mignon Lewis	
Miss Clover - - - - - -	Lake Worth
Miss Evelyn McLoughlin - - -	4th Grade at Stuart
Miss Carrie Johnson - - - -	Delray

A warrant for $50.00 was authorized for W. E. Freeny for services rendered to Central School during the time his appointment as the teacher was under consideration.

Mr. Spaulding requested that someone be named as basket ball coach. This request was referred to Miss Lorance, Principal. The salary of Mrs. Chas. Carlin was fixed at $125.00 per month.

The Superintendent was instructed to secure an additional teacher at Hypoluxo, and to arrange for the transfer of as many children as possible from the Lake Worth School to Hypoluxo. The Superintendent reported the following arrantement with Mrs. Chase in connection with the operation of the lunch room of the Central School. A bank balance of $49.87 remaining from last year was made available for the securing of needed equipment. Mrs. Chase is to have the earnings of the lunch room up to $25.00 a week. The earnings, if any, in excess of this shall be divided between Mrs. Chase and the lunch fund. Mrs. Chase had reported a very favorable beginning. The salary of Mrs. Gladys Scarborough ~~Honorary~~ teacher at Jupiter, was fixed at $125.00 for the remainder of the year. The following warrant was ordered cancelled:- Warrant #736 of Special Tax District #6, payable at the Bank of Delray.

On motion Mr. Andersen, seconded Mr. Mapp, a note for Four Thousand Dollars ($4000.00) at the Farmers Bank & Trust Company was renewed for ninety (90) days. Also a note for Five Thousand Dollars ($5000.00) (Hercules Note) at the Citizens Bank, was renewed for ninety (90) days. (NOTE)

Mr. Harry Benson Trustee of the Boynton District submitted a proposition to acquire for the Boynton negro school two acres of land about quarter of a mile west of the railroad. This could be secured for $3000.00 of which $1500.00 would be allowed for the present negro school property. He recommended the securing of the property on these terms. Upon motion of Mr. Andersen, seconded by Mr. Mapp, Mr. Benson was authorized to take the necessary steps to secure this property provided the proposition has the approval of Mr. Boydston.

SPECIAL MEETING FEBRUARY 21st, 1925.

Palm Beach County Board of Public Instruction, met in Special Session pursuant to a motion made at the regular meeting, February 14th, 1925 to consider building plans for district number #1. All the members present A. S. Andersen, Chairman, Rev. H. E. Cason, and Edwin L. Mapp. Prayer was Heard by Dr. Cason.

Mr. Birchard, Mayor of Kelsey City and Mr. N. K. Williams, supervisor of Kelsey City school, appeared before the Board to request that three rooms be added to the Kelsey City School, instead of one.

Mr. Williams called attention to the unsatisfactory condition of the toilets in this school and after some discussion, the Superintendent was directed to arrange for the transfer to Kelsey City of a pressure tank now at Canal Point and make it a part of the water system.

Mr. Stephan of the Dixie Plumbing Company was authorized to make this installation.

Mr. Stephan was also authorized to make the necessary changes in the Canal Point water system.

Mr. Stafford Beach and Mrs. Myrtle A. Taylor, trustees of District number #1, joined the Board in the conference over the School plans. After considerable discussion it was agreed upon motion of Dr. Cason seconded by Mr. Mapp, that Mr. King's plans for the South Palm Beach School, for the Kelsey City School and Palm Beach School, should be accepted.

Mr. Blackwell, attorney for the Board, stated that in his opinion, it would be proper and wise to proceed with the preliminaries of a bond issue. Considerable time would be required to call the election and in all probability, the necessary legislation would have been enacted before the time for the validation of any bonds which might be voted.

The Superintendent was instructed to write Mr. Conkling that the Board does not contemplate making additions to the present central school building,

Upon motion of Dr. Cason, seconded by Mr. Mapp, it was decided that an attendance officer for district number #1, should be employed and the superintendent was directed to make the necessary arrangements.

Mr. Benson, representing the school trustees of district #5, was authorized to complete the negotiations for two acres of land for the use of the Negroe school at Boynton.

The Superintendent was directed to make application for aid from the Rosenwald Fund in the erection of a two room school at Boynton.

Mr. Currier, principal of the Delray School, appeared before the Board and requested that his salary be changed to $250.00. Action on this request was deferred until the next meeting.

Mr. Cox, principal of the Northboro School, reported that the use of the two small rooms for the 4th and 5th grade pupils was unsatisfactory and that the Mother's Club had again expressed a desire that the shed at the south end of the school be arranged as a class room.

The Superintendent was directed to make this arrangement.

In view of the increased enrollment at the Northboro School, the increase in the teaching force and additional responsibilities devolving upon the principal, the salary of Mr. Cox was placed at $200.00 a month for the remainder of the school year.

The purchase of material and equipment from Milton Bradley Co. for the Primary Rooms at Lake Worth and West Palm Beach, was authorized.

There being no further business, the Board meeting adjourned.

Approved — A. S. Andersen, Chairman

Mr. William M. King, Architect, submitted plans for additions to the Kelsey City School and South Borough School.

Upon motion of Dr. Cason, seconded by Mr. Mapp, it was agreed that a Special Meeting should be held Saturday February 21st, to consider these plans further.

The Superintendent was directed to request the attendance of the Trustees of District number #1 at this Meeting.

The Chairman and Superintendnet were requested to attend the meeting in Jacksonville, March 11th and 12th, called by the State Superintendent.

The appointment of an attendance officer for West Palm Beach was discussed at some length, but action was not taken.

The Superintendent was instructed to notify Mr. Sherman, of Boca Ratone, that the Board did not wish to dispose of any of the school property.

The Superintendent was directed to inquire of the Lake Worth Trustee what disposition they proposed to make of the surplus hollow tile remaining from the new School Building.

Mr. Blackwell, the attorney for the Board, stated that in his opinion, it was necessary for the school Board to pay the drainage tax on school property.

The Baptist Congregation was allowed the use of one room at the South Borough School for Sunday School services, on condition that proper care be taken of the room and that necessary arrangements be made for additional janitor services.

Mr. Buddington, the janitor at the Stuart School, was allowed a weekly salary of $20.00.

Warrant number #927 on Special District #3 was ordered cancelled.

The following teachers were appointed:

L. H. Doar-----7th Grade, West Palm Beach

Miss B. Moody -

An additional teacher was also authorized for the 5th grade at Lake Worth.

No action was taken on the vacancy at Delray, caused by the resignation of Mrs. Woods.

Dr. Cason reported that the principal of Delray, felt he had been treated unfairly in the matter of salary as he had been given to understand that his salary would be $250.00 per month. After some discussion and in order that the Board might act with a thorough knowledge of facts in the case, action was postponed until the next meeting.

There being no further business, the Board adjourned.

The Board of Public Instruction met in special session, March 7th, 1925, pursuant to a motion made February 28th, for the purpose of conferring with the Trustees of Special Tax District #4. The following members being present:

Edward Mapp, A. J. Andersen Chairman,
J. R. Cason.

The meeting was opened with prayer by Dr. Cason.

W. A. Boutwell and J. L. Bosley, Trustees of District #4 and Mr. Hollingsworth, principal of The Lake Worth School were present.

Upon the recommendation of the principal and the Trustees, the salary of Miss Fern McGill, was placed at $115.00 per month for the rest of the school year, upon motion of Edward Mapp and seconded by Dr. Cason.

At the request of the Trustees, Mr. Hollingsworth, submitted an analysis of the School enrollment and teaching force and the probable needs for the next year.

A conservative estimate was, that nine additional teachers would be required in the first eight grades for the next school year.

He pointed out also the need of adequate laboratory space and equipment, domestic science equipment and teacher and a full time commercial teacher. He also suggested the advisability of providing rooms which could be used by special teachers of music, expression and other special subjects. The teachers to conduct the class as private work, no compensation to be allowed from the school funds, the work to be arranged in such a way that pupils might take this special work during school time, provided such class period did not conflict with the period assigned for regular school work.

Upon motion of Dr. Cason, seconded by Mr. Mapp, it was agreed that the information presented should be received and consid ered as the basis for plans for next year.

Upon motion of Mr. Mapp, seconded by Dr. Cason, the trustees were authorized to buy an additional lot in block #217, at a cost of about $500.00, the Trustees, negotiating a loan to secure the money for this purpose.

The Superintendent was directed to subscribe for "American School Board Journal" for each member of the Board at the special price proposed by Mr. Bruce.

REGULAR MEETING MARCH 14th, 1925.

The Board of Public Instruction met in regular session March 14th, 1925 with all members present. Meeting was opened with prayer by the Superintendent.

The minutes of the regular meeting February 28th and Special Meeting March 7th were read and approved, also the minutes of the regular meeting February 14th, were re-read and approved.

Warrant for $153.72 was authorized for the purpose of paying the balance of the note given to The Theodore Kundtz Company, for furniture for the central school.

A Committee from Riviera, composed of, Mrs. Shaffer, Mrs. Powell, Mrs. Zill and Mrs. Richardson, appeared before the Board in connection with the Riviera school proposition. Mrs. Shaffer explained that, in the opinion of the committee, confusion would result if the school were opened at this time because some pupils who normally would attend the proposed school at Rivera were attending other schools. It was the opinion of the Committee also that some plans should be worked out and adopted which would simplify the problem of eligibility of pupils to attend the new school. In reply the chairman stated, that it had been the intention of the Board to accommodate only the children who were not, at this time, attending some other school. At the same time he stated, that it had been the desire of the Board to comply with the express wish of the Committee which the Board assumed represented the wishes of the community. The suggestion that a plan should be worked out in connection with the eligibility of pupils was discussed by the Board and the proposal to fix certain lines as boundaries seemed to be the most satisfactory arrangement.

Upon motion of Dr. Cason, seconded by Mr. Mapp, the Superintendent was directed to take no further steps in connection with the establishment of a school at Rivieria at this time.

Following the discussion, the Superintendent was instructed to request Mr. King to prepare a sketch for a one or two room school at Riviera.

Mr. Moore, of the Columbia School Supply Company, Indianapolis by consent of the Board, demonstrated the Indestructo Movable Steel Frame Pupils' Desk.

The Superintendent was directed to make application to the Palm Beach Mercantile Company for the customary 10% discount on purchases for the schools.

Upon motion of Mr. Mapp seconded by Dr. Cason, warrant number #5977 was ordered cancelled.

The proposition of Jack Barrett to surrender his contract for the use of the school land at Canal Point, in consideration of a payment of $250.00 was accepted, payment to be made after the present crop had been harvested,(upon motion of Mr. Mapp seconded by Dr. Cason).

Upon motion of Dr. Cason seconded by Mr. Mapp, Mr. Erman supervisor of the Prairie School was authorized to have the school painted and put in order generally.

A request presented by a Committee from the De Molay Boys to use the School Gymnasium for a dance March 27th, was upon motion of Dr. Cason seconded by Mr. Mapp, referred to the Trustees for approval.

A resolution was adopted authorizing the renewal of a note for $25,000 at the Bank of Boynton.

The Superintendent was directed to ascertain the terms upon which Mr. W. B. Itner would serve as consulting architect.

Dr. Cason explained that Mrs. Hinson recently appointed attendance officer, had been delayed by the illness of her daughter and that if requested she would report immediately.

The Superintendent was directed to inform Mrs. Hinson that her place was being held for her.

SPECIAL MEETING JUNE 6, 1925.

The Board of Public Instruction met in Special Session, June 6, 1925, pursuant to adjourment at a previous meeting. Mr. Mapp and Mr. Andersen being present, Dr. Cason coming in later.

The meeting was opened with prayer by the Superintendent.

The committee from Lake Worth, composed as follows, appeared before the Board:

H. Loftus.	J. L. McKissock.
J. R. Lewis.	Ira T. Shaw.
Benn Miller.	Roy P. Dano.
Reo A. M. Bird.	A. R. Carter.
George N. King.	A. Forshay.
H. L. Farrell.	J. H. Leggett.

Mr. Loftus, as spokesman for the committee, entered a protest against the re-appointment of Miss McKenna of the Lake Worth School. He stated that on a recent occasion her attitude and language in the office of one of the Lake Worth real estate firms had been such that it re-flected on her and that it did not seem proper for one in a school position. He stated further that the enactment of a law at the recent session of the Legislature, requiring the daily reading of the Bible in the schools, would probably not be complied with by her, as, being a Catholic this was contrary to the requirements made of her by the Church.

Mr. Boutwell, chairman of the Board of Trustees of District No. 4, stated that at the time Miss McKenna was recommended for re-appointment the Trustees based their action on her ability as it had been demonstrated through three years of service and her apparent co-operation with her associates. He further stated that since the appointment had been made there seemed to be a difference in her attitude, indicated especially by an incident in connection with the examinations. At his request, Mr. Hollingsworth explained the incident. When the examination schedule was posted, it appeared that it contained a conflict and instead of going to Mr. Hollingsworth and calling attention to the conflict she confronted him in the hall in the presence of a group of the students, stating that she did not like the schedule which he had here and demanded a square deal, just as other teachers received. That the last three Principals had given her the blunt end of the deal and that she was tired of it.

The notice of appointment, which had been sent to all appointees, was submitted to Mr. Blackwell, who reported that this notice of appointment and acceptance did not constitute a contract.

By a motion of Cason-Mapp it was decided that the re-appointment of Miss McKenna should be re-considered at the next meeting and the Superintendent was directed to notify Miss McKenna to this effect.

June 6.

The Trustees of District No. 4, through their chairman Mr. Boutwell, asked if it would be possible to make an arrangement to add a second story to the building which was erected during the spring. They explained that it would be possible to borrow the money from the Lake Worth Banks and to secure the indorsement of local people on the note. It was further suggested that the Trustees might execute the note with the under-standing that, if and when the money became available through the proposed Bond issue, the notes could thus be paid. Mr. Blackwell stated that there was no legal objection to the receiving of this money by the Board if the arrangements suggested could be effected.

The following letter was submitted and on motion of Mapp-Cason, the plan therein proposed was referred to Mr. Blackwell for his opinion.

June 3rd, 1925.

Mr. C. A. Bingham, City Manager,
West Palm Beach, Florida.

Dear Mr. Bingham:

Confirming your conversation with Mr. A. S. Andersen, Chairman of the Board of Public Instruction of Palm Beach County, relative to the proposed improvements for the West Palm Beach schools, we wish to advise you that there is at present, in progress of being issued, a bond issue of $500,000.00 funds from which we believe will be available within the year for purposes of improving schools and grounds.

As Mr. Andersen told you, these funds will not be available soon enough to allow the beautification of the grounds before the next school year which is of considerable importance.

It is our understanding that the City of West Palm Beach is in a position to temporarily finance the beautification of the West Palm Beach school grounds consisting of the installation of an Underground Sprinkler System, marl for filling in and enriching the lawns, and planting grass.

We, as two of the Trustees of District No. 1 and Chairman of the Board of Public Instruction, respectfully request that you secure the co-operation and authorization for this work from the Board of City Commissioners at their next meeting, and we in our turn will have our request approved by the Board of Public Instruction so that the City will be reimbursed from the proceeds of the bond issue when sold for such moneys as may be advanced by the City for these purposes.

Thanking you for past courtesies, we are

Respectfully yours,

S. B. Beach.
Trustee.

Myrtle A. Taylor.

June 6, 1925.

A petition from the Colored Ministers Alliance and seventy others, was submitted, asking that a school building and teachers be provided in the Pleasant City section. The Superintendent was directed to make arrangements for the continuance of the school this year upon the same plan as last year, provided that a satisfactory building could be secured and on reasonable terms.

Mr.Anthony explained that he was one of the original members of the Highland Park Land Company and that he was responsible for the inclusion of the restrictions in the lease of the ground to the school board. Dear Mr. Youngblood:-

According to your request in your letter of May 16th I am sending list of names of our teachers for this coming term .

Miss Jessie B. Green

I wish also to call your attention to the matter of Miss J. B. Green , our primary teacher , being excused to attend summer school at Hampton Institute . Each year we arrange for one teacher to attend summer school which means much in helping to keep an efficient staff. The General Education Board , through Mr. Brinson and Mr. Favrot, has given Miss Green aid to the amount of $50.00. I hope you and the Board will approve of her release .

I wish to recommend as substitute teacher to fill Miss Green's place while she is away Miss Theresa Monroe. Miss Monroe is a graduate of Florida N. & I. Institute , and is now taking her college work at Atlanta University, Atlanta, Ga.

Very respectfully yours,

S. D. Spady
